CITY TO "GRIND THE GREENS" AS PART OF RECYCLING EFFORTS

On December 26, the City of Greenville will begin its annual "Grinding of the Greens" – the City's Christmas tree recycling program. For the convenience of City residents, the trees may be placed at curbside for collection on the regularly schedule pick-up day or taken to one of four convenient locations for recycling. All trees must be free of debris such as ornaments, tinsel, garland or lights to be recycled.

The following drop-off locations will be open December 26 through January 15, 2005:

Holmes Park on Holmes Drive

Timmons Park on Blackburn Street

Gower Park on Evelyn Avenue

W. Greenville Recreation Center on Rochester Street.

Curbside pick-up will continue as long as needed.

For more information on the City of Greenville's recycling program, visit the City website at http://www.greatergreenville.com/city_services/recycling2.asp or contact Alysen Woodruff at 467-8300.
